Win! An R-Link BodySense Technology Scale from Terraillon worth £100

Monitor your weight with this stylish scale from [Terraillon](#)

These ultra-slim and stylish scales from Terraillon will look perfect in any bathroom. The built-in BodySense technology allows the scales to calculate weight and body composition. This is then transferred to your smartphone via the Bluetooth smart function, which automatically synchronises the collected data with the Terraillon Wellness Coach app. This is the perfect way to track your progress and monitor your weight, whether you want to lose, gain, or maintain it.

The competition will close on October 12th 2017.
